

REMARKS

Claims 48-55, 60-72, and 74-79 were pending in this application. Claims 48-55, 60-61, 64-72 and 74-79 have been allowed. Claims 62-63 have been rejected. Claims 62-63 have been canceled by this Amendment. Claims 48-55, 60-61, 64-72, and 74-79 are currently pending.

Applicants thank the Examiner for his statement of allowed claims. Applicants respectfully disagree with the reasons for rejecting claims 62 and 63 as set forth in prior Office Actions, and continue to stand by the merits of the arguments made against such rejections in prior Office Actions. However, to advance prosecution, Applicants have canceled claims 62 and 63. Applicants reserve the right to continue to prosecute inventions having the scope of claims 62 and 63 in future applications.

In view of the above amendment, applicant believes the pending application is in condition for allowance.

Dated: June 15, 2006

Respectfully submitted,

By
